

Gracious God, as the seasons turn from winter to spring, we lift up all people and all things that cry out for new life. We give you thanks for the season of Lent and pray that these 40 days would be a time of renewal for us all. Lord, in your mercy,

**Hear our prayer.**

We pray for all who are suffering in mind, body, or spirit. We pray especially for the lives of all those who have been touched by coronavirus. Grant healing to the sick, and protect the healthy, so that together as a community we can overcome this pandemic. Lord, in your mercy,

**Hear our prayer.**

We pray for our city, that as people shelter in place, we would rejoice in each other's presence and deepen our connections with one another. We pray for the protection of those who have unsafe home environments; keep them in your loving care. Lord, in your mercy,

**Hear our prayer.**

We pray for the renewal of the church, that in our collective baptism we would find a shared sense of unity and purpose to proclaim your gospel of mercy and justice. Lord, in your mercy,

**Hear our prayer.**

We pray for our nation, that you would give us wisdom and the gift of discernment as we choose our elected leaders. We pray for all those currently serving in office, that they would govern with a heart for the most vulnerable in our society. Lord, in your mercy,

**Hear our prayer.**

We pray for the earth and all who call this planet home. As we navigate these challenging days ahead, we pray for cooperation among nations and a recognition of our shared humanity with one another. Lord, in your mercy,

**Hear our prayer.**

Into your hands, gracious God, we commend all for whom we pray, trusting in your promises through Jesus Christ, our Lord.

**Amen.**
